Connell Foley – USLaw Directory Introductory Copy

Since our establishment in 1936, Connell Foley LLP has been a full-service law firm with a reputation built solidly on results. With a talented team of more than 125 attorneys – including over a dozen certified trial lawyers – the diverse, interdisciplinary professionals at Connell Foley have long held records of extraordinary achievement in litigation, corporate law, trial advocacy, and a broad range of specialty areas.

Our attorneys are leaders in their fields, experts who write and lecture about some of the most rapidly evolving areas of contemporary law while continuing to serve the public with the utmost dedication and commitment. They've been honored by the American College of Trial Lawyers, the American Board of Trial Advocates, the International Association of Defense Counsel, and other organizations prominent in the legal community. We're proud to have remained one of the most in-demand firms for state and federal litigation, as well as for employment, according to *Corporate Counsel* magazine.

Connell Foley has all the experience and advantages of being a sizeable firm ... but our team still views law as a personal service. We believe in solid relationships, and work as partners with our clients to offer comprehensive counseling and transactional services, striving to shape the most advantageous plan of action to fit the framework of each and every case. From international corporations to mid-sized companies and small businesses, there's a solution for every client at Connell Foley.

It's our strong relationships, focus on results and strategies, and forward-thinking that has earned us notable recognition from our peers and much confidence from our large variety of clients, whether Connell Foley represents them in the courtroom or the boardroom. Our unparalleled depth of diversity, paired with personal service, business experience, and rich resources ensures that we can meet the demands of even the most complex, contemporary litigation with professionalism and expertise.
