

## New Orleans Jewish Community Center [nojcc.com](http://nojcc.com)

The New Orleans Jewish Community Center desired a progressive and attractive website that could expand with their ever-growing role as a community resource. User-friendliness was a main concern due to the variety of ages of the Center's patrons and the sheer volume of services available. A bold new interface and highly specialized navigation made getting around the site fun and simple, and the addition of a powerful search engine made specifically for the site makes finding answers easier than typing the question.
